# Rated for Excellence

## Palestine Polytechnic University

The QS Intelligence Unit has, through rigorous and independent data collection and analysis of performance metrics as set out in the QS Stars™ methodology, rated Palestine Polytechnic University as a Three Stars institution.

Teaching

Employability

Internationalisation

Academic Development

Facilities

Computer Science  
& Information Systems

Social Responsibility

Inclusiveness

The QS Stars™ rating system is operated by the QS Intelligence Unit, the independent compiler of the QS World University Rankings® since 2004. The system evaluates universities across a wide range of important performance indicators as set against pre-established international standards. By covering a broader range of criteria than any world ranking exercise, QS Stars™ shines a light on both the excellence and the diversity of the rated institution.
